Five Nights at Freddy's 4, 2014 yılında oyun ilk çıktığından beri Windows ve Android üzerinde insanlar korkutan inanılmaz derecede popüler olan korkuncu sagamın döördüncü ve son bölümüdür. O zamandan beri, bir yıldan daha az süredir, Five Nights at Freddy's korkunun sembolü haline geldi. Bu sefer güvenlik kameralarıyla ya da ona benzer bir şeyle bir pizzacıda devriye gezmek zorunda değilsiniz. Oyun yerine, gece yarısı her karanlık köşede ve gölgede onu avlayan korkunç yaratıklardan kendisini savunmak zorunda kalın; yaratıklardan kendisini savunmak zorunda kalan genç bir adamı kontrol edersiniz. Reklam Turbo ile reklamları ve daha fazlasını kaldırın Five Nights at Freddy's 4'un oyun kurşunu önceki bölümlere çok benzer. Yataktan odadaki kapıların herhangi birine doğru hareket edebilir, bir tuşa basılı tutarak onları açabilirsiniz. Ayrıca, kısa süreliğine herhangi bir alanı aydınlatmak için ışıldak kullanabilirsiniz. Oynarken yapılacak önemli şey hoparlörlerinizin sesini ayarlamaktır. Neden mi? Çünkü saldırılarını tahmin etmek için düşmanlarınızın nefes alıp verişlerini duymanız gerekir. Ayrıca, sizi yakalarlarsa, ses yüksek olursa daha çok korkarsınız. Five Nights at Freddy's 4 bir kaç seferden daha fazla sizi korkutabilecek, akılda kalıcı bir korku oyunudur. Grafikler üçüncü oyuna kıyasla geliştirilmişti ve çok daha iyi bir deneyim sunar. Evet, Five Nights at Freddy's 4 ücretsizdir. PC'de bu korkunç oyunun keyfini çıkarmak için hiçbir şey demenize gerek yok. Bununla birlikte, demo yalnızca ilk üç geceyi içerir. PC için Five Nights at Freddy's 4 dosyası yalnızca 445 MB alan kaplar. Bu nedenle, fazla boş depolama alanınız olmasa bile bu oyunu çalıştırabilirsiniz. Five Nights at Freddy's 4 uygulamasını Windows'a yüklemek çok kolaydır. Tek yapmanız gereken, oyunun çalışmaya başlaması için yürütülebilir dosyayı açmaktır. Bu sayede uzun ve meşakkatli bir kurulum süreci ile uğraşmak zorunda kalmazsınız. Uptodown'dan. Scott Cawthon has surprised us once again with the latest game for his Survival Horror saga, Five Nights at Freddy's 4. Expected for Halloween, the prequel is already available.A terrifying journey to the past!The plot, as we already knew, revolves around The Bite of '87, a short story that's vaguely mentioned in the saga's first game: that year, an animatronic being attacked a young victim who lost the frontal lobe of his brain.No cameras, no doors, no watchmen.You'll no longer take on the role of a watchman in charge of keeping an eye on the security cameras and the doors, there weren't any back in 1987. The main character is an innocent child who wants to celebrate his birthday at Freddy Fazbear Pizza. Your target is clear: help the kid survive.The only thing this boy has to protect himself is a flashlight. You'll have to flee from every noise, every shadow and every glimmer to avoid the early ending to this kid's life who just wants to become a year older.Help the child celebrate another birthday!More stress and terror than ever!As we've mentioned, the main character is no longer a watchman, therefore, now you won't have a booth where you feel safe. The main setting of this game is this child's room, in which distances are minimal, safety is inexistant and the ornaments in the way of the monsters and yourself are only there to annoy you. All these elements and the new graphics, somewhat improved, make this Five Nights at Freddy's 4 the most terrifying game of the saga.Download FNAF 4 and try to enjoy probably the last terror game from the most acclaimed saga. Requirements and additional information:Requires Windows XP or above.This is a paid version. Antony Peel Five Nights at Freddy's 4 1st der vierte und letzte Teil der ungläublich populären Horrorsaga, die schon seit der ersten Ausgabe in 2014 Menschen auf Windows und Android zum Fürchten bringt. Innerhalb etwa eines Jahres ist Five Nights at Freddy's zu einem Symbol für Horror geworden.Dieses Mal muss du keine Pizzeria durch die Überwachungskamera behüten oder ähnliches. Stattdessen spielst du einen jungen Mann, der sich nachts gegen die schrecklichen Kreaturen verteidigen muss, die hinter jedem Schatten und jeder dunklen Ecke auf ihn lauern. Werbung Mit Turbo kannst du unter anderem die Werbung entfernen Der Spielverlauf von Five Nights at Freddy's 4 ist dem der Vorgänger sehr ähnlich. Vom Bett aus kannst du zu jeder Tür des Zimmers gehen und sie mit Knopfdruck öffnen. Außerdem kannst du auch eine Taschenlampe verwenden, um Bereiche für kurze Zeit zu erhellen.Wichtig ist, dass du die Lautstärke deiner Lautsprecher anpasst. Wieso? Weil du den Atem deiner Feinde hören musst, um ihre Attacken vorherzusehen. Außerdem wirst du dich bei hoher Lautstärke mehr fürchten, wenn du geschannt wirst.Five Nights at Freddy's 4 ist ein unvergessliches Horrorspiel, das dich mehr als nur ein paar Mal erschrecken wird. Die Grafik hat sich ein wenig verbessert seit dem dritten Titel, wodurch die Erfahrung noch besser wird. Ja, Five Nights at Freddy's 4 ist kostenlos. Von hier aus kannst du Five Nights at Freddy's 4 für PCs einfach und sicher herunterladen. Five Nights at Freddy's 4 is the fourth and final installment on this incredibly popular horror saga that has been scaring people on Windows and Android since the release of the first game, back in 2014. Since then, in little more than a year, Five Nights at Freddy's has become a symbol of horror.This time, you don't have to patrol a pizzeria through security cameras or anything like that. Instead, you control a young man that, at nighttime, has to defend himself from the horrible creatures that hunt him behind every shadow and every dark corner. Advertisement Remove ads and more with Turbo The gameplay in Five Nights at Freddy's 4, in any case, is very similar to that in previous installments. You can move from the bed towards any of the doors in the room, and open them by keeping a button pressed. You can also use a flashlight to light up any area for a short period of time.An important thing to do when playing is to adjust the volume of your speakers. Why? Because you need to hear the enemies breathing in order to predict their attacks. Also, if they get you, you'll be more scared if the volume is high.Five Nights at Freddy's 4 is a memorable horror game that can scare you more than just a few times. The graphics have improved slightly compared to the third title, creating an even greater experience. Yes, Five Nights at Freddy's 4 is free. In this last chapter of the Five Nights at Freddy's original story, you must once again defend yourself against Freddy Fazbear, Chica, Bonnie, Foxy, and even worse things that lurk in the shadows. Playing as a child whose role is yet unknown, you must safeguard yourself until gam by watching the doors, as well as warding off unwanted creatures that may venture into your closet or onto the bed behind you. You have only a flashlight to protect yourself. It will scare away things that may be creeping at the far end of the hallways, but be careful, and listen. If something has crept too close, then shining lights in its eyes will be your end. You will be automatically redirected to the homepage in 30 seconds. Five Nights at Freddy's 4 is an indie survival horror video game that brings you out of your security booth and makes you experience a child's fears. Throughout the nights, you will have to ward away the dark and stay alive, or the monstrous creatures will make you discover what genuine fear means. contents Plot Gameplay Graphics and sound Duration and game modes Reviews Age rating Plot This time you won't play in a security office but in a child's bedroom. Armed with your trustworthy flashlight, you will have to check several spots and fend away the nightmarish monstrous versions of the well-known Freddy Fazbear, Chica, Bonnie, and Foxy. But this time, you will also be able to play another game at the end of each night. A game that will reveal the lore and turn the whole experience into something more terrifying than you can imagine. Gameplay Monitor your room: You will have to monitor several locations, including two lateral doors, a closet in front of you, and the bed behind you. As a young child, you can only crawl when moving to another location, and the camera will face the floor, so pray not to face any monster when you raise your head. You will have to survive five nightmarish nights from 1 am to 6 am, and each night will be more challenging than the last one. Good luck, child. Use your flashlight: This time, you have a flashlight with an unlimited battery. Use it well, as it will help you to fend all the monsters away. Again, make sure to check all the positions so that nothing can suddenly appear in the dark. Monsters under your bed: Those little Freddy Fazbear-like animatronics will appear and must be fended away, or the real Freddy Fazbear will come for you. Keep an eye on the closet: In your cold dark room, the monsters aren't just under your bed. Make sure to regularly check your wardrobe and close it when Nightmare Foxy appears, or you may risk an attack that will scare you to death. © Five Nights at Freddy's 4 Listen to their breathing: Monitor the doors as Nightmare Bonnie and Chica may appear if you don't close them when you hear their breathing. Minigames and lore: After each night, you will be able to play a timed minigame called 'Fun with Plushtrap' which is a reference to Five Nights at Freddy's 3, where you will have to lure a plush edition of the famous Springtrap to the top of an area marked with an "X". If you succeed you will get a time bonus and start the next night at 2 am. Additionally, all minigames tell you something about your character's story. An endless nightmare: All the evil animatronics will be gone during the fifth night, and you will have to face the large animatronic bear called Nightmare Fredbear. If you succeed in completing the last night, you will unlock a star and an additional night where all the animatronics will chase you until the scary Nightmare Fredbear comes at 4 am. If you are still alive after the sixth night, you will play a seventh night where all the animatronics are even more aggressive, and the evilest animatronic of all time, called Nightmare, will try to come for you. © Five Nights at Freddy's 4 Even though the game is quite minimalistic regarding the rooms you can visit, it offers improved graphics and a well-paced and scary OST and audio feedback. As a result, the whole thing is quite an immersive and creepy experience. Duration and game modes Five Nights at Freddy's 4 offers a solo experience that will take 2-3 hours to complete if you focus on the main objectives but can last over 5 hours if you strive to discover all the additional nights. In case you are still alive after the seventh night, you can unlock a third star that will allow you to play the eighth night, called the '20/20/20/20' game mode. In this game mode, all animatronic beings are set to maximum difficulty. Completing the '20/20/20/20' mode will unlock the last star. The extra menu lists minigames, including 'Fun with Plushtrap' and 'Fun with Balloon Boy'. It also offers a cheat menu and a challenge menu that allows you to try the 4 additional challenges (each of them has its stars): Blind Mode: Your screen is completely black, so you cannot see anything. You should listen for sound cues and keep track of them. You won't be able to know what stage Nightmare Foxy or Nightmare Mangle are in when they enter the closet. Holding the doors shut for approximately six seconds should work. Mad Freddy: In this challenge, Nightmare Freddy will be more active. Make sure that you get rid of all the Freddies on your bed. At 4 am, the Nightmare Puppet will replace all the other animatronics. Insta-Foxy: Nightmare Foxy is already in your closet at the beginning of the night. All Nightmare: The Nightmare Puppet will be the only animatronic you will have to monitor during the whole night. Mad Freddy + Insta Foxy + Blind Mode: One of the most demanding challenges. Your priority is to keep Nightmare Freddy and Nightmare Foxy at bay. To succeed, stay focused and follow the same strategies discussed earlier. All Nightmare + Blind Mode: This is a mix of Blind Mode and All Nightmare Mode. What do the reviews say? © Metacritic Five Nights at Freddy's 4 has a Metacritic score of 51/100 but has been rated Very Positive by over 9000 players on Steam. Truth be told, this is not an innovative title regarding its gameplay mechanics, but still, it has lots to offer when it comes to telling a story. "FNAF takes a step back, and relies on sound to scare you. It still works, but now your biggest fear would be going deaf because of its loud scare jumps." (Vandal) Age rating © PEGI Five Nights at Freddy's 4 has been rated PEGI 12. It does not contain scenes of violence, but the atmosphere is creepy, and some horror scenes may offend the sensibility of a young audience. W tym archiwum znajdziesz wersję demonstracyjną Five Nights at Freddy's 4: The Final Chapter, czyli czwartej części kultowego cyklu horrorów, których autorem jest Scott Cawthon.
