Ashley party time sofa review

The company that has been around since 1945, Ashley Furniture Industries, started out as a sales operation specializing in wooden furniture and marketing items made by local companies in Chicago, Illinois. Founded by Carlyle Weinberger, the business expanded rapidly, opening up to 40 stores within its first year of retail operations. Today, Ashley Furniture has over 2,000 locations worldwide, making it one of the top furniture retailers in North America. Ashley Furniture's wide range of home goods and products attracts many customers globally, with a strong online presence on social media platforms like Instagram (665k followers) and Facebook (1.7 million likes). The company's mission is to "inspire the love of home and enrich the lives of those around us," which they achieve through their charity work with St. Jude Children's Research Hospital and other initiatives. Some notable features of Ashley Furniture include a large selection of home furniture and decor, multiple retail locations worldwide, financing options, free standard shipping, and a 30-day return policy. The company also offers bedroom, living room, and dining room sets along with recliners to create a cozy atmosphere in any space. With assembly required for all items, customers can enjoy their new furniture while saving time on setup. As Ashley Furniture continues to grow and expand its operations, they are committed to reducing their carbon footprint by setting energy reduction targets for their facilities and distribution centers within the next year. They also plan to introduce greener packaging, invest in electric trucks, and more over the next four years. Whether you're looking to redecorate or simply upgrade your living space, Ashley Furniture's wide range of products and services can help you create a home that truly feels like yours. With their commitment to customer satisfaction, quality products, and social responsibility, it's no wonder why Ashley Furniture is one of the most trusted names in the furniture industry. Ashley Furniture offers a range of furniture pieces designed to evoke an urban and rustic feel, perfect for those looking to create a cozy and inviting atmosphere in their home. The Effie Queen Panel Bed with 2 Nightstands features a butcher block design with a whitewash finish, giving it a restored look that complements the farmhouse theme. The bed frame comes with a head and footboard, while the nightstands are sleek and contemporary, with easy-to-open drawers and USB charging ports. For a chic cottage-inspired theme, the Shawburn Queen Platform Bed with Dresser and Chest is available. This set features two-tone details and metal hardware, adding an urban touch to the furniture pieces. The whitewash finish provides a dreamy and comforting energy, while the six-drawer dresser and five-drawer chest offer ample storage space. In the dining room, Ashley Furniture's Johnelle Dining Table and 6 Chairs Set is a classic choice. It features a long distressed table with a pedestal base, upholstered chairs with nailhead detailing, and an extension leaf for added flexibility. The Centiar Dining Table and 4 Chairs Set offers a more contemporary look, with a metal base and bronze finish, making it a stylish and timeless dining room package. Get ready for the ultimate movie night experience with Ashley Furniture's top-notch living room sets! Their best-selling items are designed for comfort and entertaining your guests in style. The Ashley Furniture Party Time Power Reclining Sofa and Loveseat Set is a showstopper, featuring luxurious faux leather upholstery with stitching details that rival high-end cars. This baby can accommodate many of your party-goers with its reclining features, USB charging ports, LED lighting for cup holders, and flip-up armrests for extra storage. It's like having the ultimate relaxation experience! And don't even get us started on the additional LED lighting underneath the sofa - it's a pretty cool touch. But wait, there's more! Ashley Furniture also offers some amazing recliners that are perfect for coziness. The Beaconfield Oversized Power Recliner is a standout, wrapped in warm and comfy chenille upholstery with sloped pillow armrests and exposed wooden feet. It's the perfect spot to chill out on a Sunday morning. And the best part? It comes with a USB plug-in that only consumes power when it's in use, making it super convenient. Ashley Furniture is an amazing brand for anyone looking for new furniture pieces for their home. Their selection is diverse and can appeal to many different aesthetics, and they're pretty affordable compared to other retailers. Plus, they offer financing options, so you can get the pieces you want without breaking the bank! But don't just take our word for it - we scoured the internet for customer feedback and here's what people are saying: * The Johnelle Dining Table and 6 Chairs Set gets an impressive 4.8/5 stars from 6 reviews, with customers raving about its sturdy design and elegant farmhouse look. * The Centiar Dining Table and 4 Chairs set scores a perfect 5/5 stars from 4 reviews, with customers praising its quality and modern style. * The Beaconfield Oversized Power Recliner gets an average rating of 3.5/5 stars from 4 reviews, but still has plenty of fans who love its comfort and convenience features. So what are you waiting for? Get ready to upgrade your home with Ashley Furniture's amazing living room sets! Ashley Furniture review reveals high-quality furniture with some room for improvement. The Centiar Dining Table and 4 Chairs Set is a great deal, praised by multiple customers who say it fits perfectly in their smaller homes. The Beaconfield Oversized Power Recliner also receives positive reviews, despite some mixed feedback. However, long delivery times have been reported by some buyers. Fortunately, Ashley Furniture's customer service team responds promptly to concerns on Facebook and offers solutions. The company's diverse furniture styles make it easy for anyone to find their desired aesthetic, from contemporary cottage to classic mid-century. With affordable prices and financing options, Ashley Furniture is a great option for those looking to remodel. Customers can also get 10% off their first order by signing up for emails and take advantage of price matching. Ashley Furniture delivers orders in two business days, with larger items shipped through independently owned stores or their own service. You can opt for assembly services, which are calculated by the delivery team. Doorstep Delivery is available for some items, but not all. The company has a 30-day return policy for Standard Shipping orders. If you have issues, they'll repair or replace the item; if not satisfied, they'll accept returns. For damaged orders, contact their customer service within 72 hours. You can also reach out to them via phone or live chat on their website. In this review, we'll cover Ashley Furniture's history, best-selling products, customer reviews, and more, helping you decide whether it's worth buying from them. The company was founded in 1945 by Carlyle Weinberger in Chicago, Illinois, initially specializing in wooden furniture and marketing local companies' items. Ashley Furniture Review: Uncovering Their Bestsellers and Features At Ashley Furniture, customers can find a vast selection of home furniture and decor across numerous retail locations worldwide. The company's goal is to deliver a wide range of products that cater to diverse tastes and preferences. Among their notable offerings include bedroom sets, living room sets, dining room sets, and recliners. For bedrooms, Ashley Furniture provides an assortment of options including the Effie Queen Panel Bed with 2 Nightstands, which features an urban-rustic aesthetic through its butcher block design and whitewash finish. The bed frame is accompanied by two nightstands boasting easy-to-open drawers and USB charging ports. Alternatively, customers can opt for the Shawburn Queen Platform Bed with Dresser and Chest, characterized by its chic cottage-inspired theme with a mix of urban and modern elements. The dining room is another area where Ashley Furniture excels, offering classic sets like the Johnelle Dining Table and 6 Chairs Set. This set includes a long distressed table paired with six upholstered chairs featuring nailhead detailing along their edges for added charm. Customers can also expect to find financing options, free standard shipping, and a 30-day return policy when making purchases. If you're on the hunt for a dining table that's both stylish and functional, consider the Johnelle Dining Table and 6 Chairs Set. This set boasts a spacious tabletop that can seat up to eight people comfortably. The chairs come equipped with foam cushioned seats, ensuring everyone stays relaxed during long holiday meals. Its neutral-colored design will seamlessly blend in with any grays or other neutral decor you may have. Plus, it's an affordable option, retailing for about \$1311 (originally priced at \$1940). For a more modern look, take a gander at the Centiar Dining Table and 4 Chairs Set. This set features a metal base with a bronze finish, giving it a two-tone charm that's sure to turn heads. The mixed materials in this set truly set it apart from the rest. And, as an added bonus, you can snag this stylish dining room package for a steal at \$516 (originally priced at \$800). When it comes time to entertain guests, look no further than Ashley Furniture's Living Room Sets. Their best-sellers are designed with comfort and fun in mind, making them perfect for game nights or movie nights alike. Take the Party Time Power Reclining Sofa and Loveseat Set, for instance. This luxurious set is inspired by luxury cars and features faux leather upholstery, complete with stitching details that add to its high-end look. But it's not just about looks - this set also comes equipped with reclining features, USB charging ports, LED lighting, and flip-up armrests for extra storage. And if you're feeling fancy, there's even additional LED lighting underneath the sofa. To top it all off, the set comes with Easy View power adjustable headrests for ultimate comfort. The Party Time Power Reclining Sofa and Loveseat Set retails for about \$2,880 (originally priced at \$4,800). Last but not least, Ashley Furniture's recliners are a must-have for anyone looking to add some serious comfort and coziness to their space. Take the Beaconfield Oversized Power Recliner, for example. This stylish recliner features chenille upholstery, sloped pillow armrests, and exposed wooden feet, giving it a warm and inviting feel that's perfect for relaxing Sunday mornings. It also comes equipped with a USB plug-in and one-touch power control, allowing you to adjust the recliner to your liking. And at an affordable price of about \$650 (originally priced at \$710), this recliner is a steal. For some flexibility, let's see how our brand's best-selling items performed in real customer feedback. We checked the main website, Consumer Affairs, and Facebook to gather testimonials. Although not all products had reviews, here are the average ratings we found: Johnelle Dining Table and 6 Chairs got a 4.8/5 stars from 6 reviews, while Centiar Dining Table and 4 Chairs received a perfect 5/5 stars from 4 reviews. The Beaconfield Oversized Power Recliner scored 3.5/5 stars from 4 reviews. The Johnelle Dining Table and 6 Chairs Set receives praise for its sturdiness and elegant design, with one customer saying it's "sturdy with an elegant farmhouse look and still very modern." Another reviewer wrote that assembling the table was easy and praised its quality, except for a broken chair that was quickly replaced by Ashley Furniture. The Centiar Dining Table and 4 Chairs Set also got rave reviews, with customers appreciating its space-saving design. One customer even found it to be perfect for their new home, saying "it fit perfectly." The Beaconfield Oversized Power Recliner received mostly positive reviews, with one reviewer calling it "soft and comfy" and another saying they have no complaints. On third-party sites, Ashley Furniture generally gets good reviews, with customers praising its wide selection of furniture styles and affordable prices. However, some buyers did experience long delivery times, but the company's customer service team responded promptly to their concerns. Overall, we think Ashley Furniture is worth considering for a remodel, as it offers diverse styles and options, and the company even provides financing options to make purchases more accessible. With 10% off your first order available by signing up, now is a great time to start shopping. Ashley Furniture Review: Prices, Shipping, Returns & More Ashley Furniture offers a variety of living room sets and home goods at their official website ashleyfurniture.com. You can also use the store locator to find retail locations near you. The company is owned by Ashley Furniture Industries with CEO Todd Wanek at the helm. Initially, the company focused on selling wooden furniture and marketing items produced by local companies. Over time, they expanded their product range by investing in other furniture manufacturers to support Ashley's own products. Following significant success, Ashley began opening retail stores, achieving a remarkable 40-store milestone within their first year. The first Ashley HomeStore opened in Alaska in 1997, eventually becoming the top furniture retailer in North America. Many of these retail locations are independently owned and operated. Notably, not all Ashley's furniture is produced by Ashley Furniture Industries itself. Their mission emphasizes inspiring a love for home and enriching the lives of those around them through charity work with St. Jude Children's Research Hospital and other initiatives. The company aims to reduce its carbon footprint by setting energy reduction targets for their facilities, distribution centers, offices, and retail locations within the following year. Plans include introducing greener packaging, utilizing electric trucks, and more over the next four years. Ashley Furniture offers a wide selection of home furniture and decor across various retail locations worldwide. Key features include: - Large selection of home furniture and decor available - Many retail locations across the world - Delivers to all 50 states - Financing options are available - Free standard shipping - 30-day return policy Their focus on bedroom, living room, and dining room sets along with recliners aims to create inviting and cozy spaces. Key products include: - Ashley Furniture Effie Queen Panel Bed with 2 Nightstands: Features a butcher block design with a whitewash finish over a wooden-looking grain. - Ashley Furniture Shawburn Queen Platform Bed with Dresser and Chest: Offers a chic cottage-inspired theme with two-tone details, metal hardware, and a whitewash finish. Prices for these products include: - The Effie Queen Panel Bed with 2 Nightstands retails for \$594 (reg. \$1090) - Prices for other Ashley Furniture bedroom sets are not specified in this review. The bedroom set features a six-drawer dresser and five-drawer chest, providing ample storage space. The bed tops have a gray wood grain design that creates a striking contrast. Moreover, this platform bed doesn't need a box spring, making it easy to set up with just a mattress. This comprehensive set is available for around \$659, down from the original price of \$1060. Moving on to dining room sets, family gatherings can be made even more special in an Ashley Furniture setup. One of their top sellers is the Johnelle Dining Table and 6 Chairs Set. This classic design boasts a long distressed table with a pedestal base and six upholstered chairs featuring nailhead detailing for added charm. The table can be extended to seat up to eight people, while the chairs come with foam cushioned seats for extra comfort during long meals. Another great option is the Centiar Dining Table and 4 Chairs Set, which offers a more modern look. The tabletop is made from engineered wood or Mindi veneer/white cedarwood, resistant to decay and fungi, and supported by a metal base with a bronze finish. This set also comes with stools upholstered in faux leather, giving it a unique and stylish appearance. For entertainment purposes, Ashley Furniture's Living Room Sets are perfect for hosting game nights or movie nights. The Party Time Power Reclining Sofa and Loveseat Set is one of their top sellers, featuring luxury-inspired leather interior details and reclining functions that can be adjusted with the Easy View power adjustable headrests. This set also comes equipped with USB charging ports, LED lighting for cup holders, flip-up armrests for extra storage, and additional LED lighting underneath the sofa. Lastly, Ashley Furniture's recliners are a great addition to any space, providing ultimate comfort and coziness. The Beaconfield Oversized Power Recliner from Ashley Furniture boasts a unique chenille upholstery, providing a warm and cozy atmosphere perfect for relaxing Sundays. Its modern design features sloped pillow armrests and exposed wooden feet. Notably, the recliner comes with USB plug-in functionality that only consumes power when in use. Additionally, it features one-touch power control for effortless adjustments to your comfort level. Priced around \$650 (originally \$710), this recliner offers great value for its contemporary style. Ashley Furniture is a reliable choice for anyone seeking new pieces for their home, offering a diverse selection and affordable prices compared to other retailers. The brand also provides financing options for added flexibility. In this review, we've gathered customer feedback from various sources, including the main website, Consumer Affairs, and Facebook. While not all products have reviews, here are some available ratings: Johnelle Dining Table and 6 Chairs (4.8/5 stars), Centiar Dining Table and 4 Chairs (5/5 stars), and Beaconfield Oversized Power Recliner (3.5/5 stars). The brand's popularity is due to its classy and elegant furniture designs that cater to diverse tastes, from modern cottage to classic mid-century styles.
