As an unknown file, all devices make some problems installing it. So that you have first allowed it in the device command section. Check the unknown source you just follow these steps Settings> Security> Unknown Sources. Allow the Unknown Sources to install the SnackVideo APK Download file. You may have heard about a short video app called Snack Video. Snack Video Mod Apk is literally a social media app filled with the most humorous, thrilling, and amazing short videos. All you have to do is watch and interact with what you like or simply skip what you don't. TikTok was one of the most popular social media apps in India. It was available on both Android and iOS platforms and it becomes very popular. However, because it's a Chinese app and found to be unsafe, a ban was placed on TikTok and this opened doorways for many other related apps. One such short video app that provides the same features as TikTok in India is Snack Video. In only a few years, TikTok has turned short videos into a worldwide trend. If TikTok is not available in your country, you'll find several TikTok alternatives for short video sharing on the internet. Many of them, however, lack the features to grab attention. That being said, if you're a fan of short video apps full of wit and humor with excellent content, then Snack App Pro Apk is the best alternative for you. You can download Snack Video Mod Apk form down below or continue reading the review. Description of Snack Video Some popular video sharing apps like Likee, Triller, Cheez, Dubsmash, etc. have proven the fact that teens are more interested in short witty, and funny videos. Snack Video is now a true competitor to the TikTok app in this area. It has been rising crazily and attracting millions of users from all over the world within a short period of its launch. This app is based on two of the most successful smartphone platforms: Android and iOS. Snack Video is developed by Joyo Technology Pte. Ltd., and it is a social app developed with the specific intent of sharing, making, and discovering short videos that connect friends. One can record videos within 30 seconds or less using this app and can share them within the community. You need to be well mindful of the fact that one of the most interesting and convincing features of this app is the creation and sharing of short video content, as it can easily help connect people. To watch short, humorous video clips, download and install the new version of Snack Video for free. A new version of the Snack App is available for download. Snack Video Apk is the best free alternative to TikTok 2020 that you can currently use to watch fun videos. Also check: Reface App Mod Apk (Premium Unlocked) Features of Snack Video Explore videos Tons of fun videos await you when you open SnackVideo. Most of the videos are entertaining. One important point, most of the content has no relevance for anyone that is not interested in pranks and comedy. Although there is news and games related content. If you are in the millennial age, millions of likes and followers can be gathered by merely posting funny videos. Also another point, most video contents are short (15-30 seconds) but they are filled with fun. You can share videos but there are no choices for sharing images or text. These limitations make it more difficult for the app to grasp most of the users in 30-40 age demograph. With specific editing features, the app is one of the best video editing apps and it is also an endless source of watching short videos. This app is for users who enjoy making new videos and also watching other videos that are already available on the platform. Using the beautiful filters and effects provided by the app, you can easily create awesome videos. Other editing features such as the timing of videos to shorten the video and at any particular scenes and you can add texts to the videos. Users can choose the song they want to use in their video, then record themselves to imitate the music. Alternatively, users can first record their video and select a song thereafter. Furthermore, there are options for shooting in slow-mo, time-lapse, fast forward, filters, etc. The app has several ways to add more fun to videos. Upload videos directly Indeed, this is a unique feature of this app. With SnackVideo, you can easily upload your videos to your account and get tons of likes from your friends, family, or fans. Instant download You can download any video that amazes you. Trending page Explore unlimited content that is trending on the platform. The more you interact the more you get tons of content that are of your interest. So, like the content of your interest and get your trending page filled with interesting content. Also check: Node Video Editor Mod Apk (Pro Unlocked) You can easily download the Snack Video Mod Apk from the below link and follow the step-by-step guide on how to install the app. Download Snack Video Mod Apk (66 MB) Conclusion Since the ban of TikTok in India, a lot of people that are addicted to it feel sad about that decision done by the government. Meanwhile, the government of India cares about the safety of its people and national security. On the other hand lot of people have been looking for the best alternative to Tiktok and so far Snack Video Mod Apk is without a doubt the best alternative. Snack Video is also a Chinese app but it is pretty safe and the government has not banned it. Just like I said earlier, SnackVideo is a social media app that allows users to share and access tons of funny short videos, news, and entertainment videos. All you've got to do is watch, interact with what you want, skip what you don't, and you'll find unlimited short videos just for you that feel personalized.
