Board your ship once more and head out into space to complete the mission and receive the Glorious Survivor title. You have two choices: Disrupt the traffic scan or report the VoF. If ever you get interrupted during any hailing ships or pirate battles once in space and miss out on the marker, simply try to re-enter the star system and see if that respawns the marker. Sadly, the Shroud of Freedom is limited to a single model design for now and can only be worn as an Anomaly. Under a Rebel Star is a mission page. After speaking with the Outlaws they will invite you to be one of them, at which point you'll receive the Shroud of Freedom hood. Opening the communicator begins the mission. You must take the passport to the marked coordinates in a neighbouring star system. Take the Rendezvous Beacon and Defeat the Sentinels¶ After defeating the pirates, you'll need to reach the point where the coordinates lead on a nearby planet. You should also make sure that you have enough Sodium and Sodium Nitrate to recharge the Deflector Shield if it's depleted in combat. These Sentinels must be destroyed before you can receive a Rendezvous Beacon. No additional restrictions — You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits. You can now visit an Appearance Modifier to find the Shroud of Freedom hood as the 19th option in the Head category. Then, follow the marker to the planet where it is at. The system is controlled by pirates. Once located, the coordinates will lead you to a Crashed Ship with a Distress Beacon. Reach the Voice of Freedom¶ The coordinates that you received after challenging the caller will lead you to another point on a nearby planet, referred to only as the Voice of Freedom. Once located, enter the structure and interact with its Terminal to receive a Ticket to Freedom, also a consumable. The Promised Star[] When the swarm of Corrupted Sentinels is defeated, you will receive a consumable: the Rendezvous Beacon. When you land you'll need to use the Analysis Visor to locate the site of a crashed Starship. Here's to hoping that Hello Games will allow other races to wear the shroud in a future update. Defeat the Pirates¶ The encounter you're looking for is with an abandoned starship. Again, the coordinates are approximate and can only be located using the target sweep. Communication. So you must first head to the Race category, switch to an Anomaly, and then go to the Head category and choose Helmet Type #19. Accept the task and you will receive the Forged Passport. This will lead you to a nearby derelict Freighter, where another group of Pirates will attack. Either choice will mark the mission as completed and make it disappear from the log, except that you need to Disrupt the traffic scan to cover your tracks instead of reporting your tracks (most races have chosen to Disrupt the traffic scan). Mission Steps[] In order to trigger the mission's start, the player needs to have a Space Encounter with an Abandoned Starship. Go to your Galactic Map and set a course to the star system marked with a skull. Be careful as sentinel drones will be activated right after; destroying them is optional. I'll need this today. [Insert Instructions Here] Under A Rebel Star Step 2 ... Check on the Rendezvous Beacon in your inventory and activate it. What should i do now? Most of the NPCs will tell you that Freedom violates the original rule (although they prefer Freedom). Answer your Communicator from your Quick Menu (X key, Down D-Pad) to learn more about the broadcast. After doing this, you'll need to locate the star system where the coordinates lead from the Galaxy Map, and travel there via Hyperdrive if necessary. Use this to locate the point in another star system that you need to travel to next. I mean, "free" being relative since I've got to repair it. The quest can be started even without owning a frigate.
