Emotional Learning is as important as learning Maths and EnglishWhat we offer at Homejoin our community of like minded parentsWelcome to Threads of Calm — a space for parents raising emotionally intelligent children.Daily Rituals to help your child regulate emotions and build connection. Early access to Expert Talks with child psychologists, educators, and parenting coaches.Printable journals, charts and resources for your at-home calm corner.Ask questions, share wins, and learn from fellow parents walking the same path. We're Maddie & Emily - two sisters who are WAY crazy about crafting and Rainbow Loom. We started LoomLove.com along with our mom in September 2013. Since then, we've made more than 250 Rainbow Loom designs that we feature on the site. Many of the loom band designs are our own original patterns, while others are loom band instructions from other loomers. We're also BIG on crafts, so we'll be adding awesome craft tutorials too! Welcome to LoveLoom, where we weave your love stories into beautiful digital tapestries. LoveLoom is a web platform designed to enhance your special moments, whether it's a love story, wedding, engagement, or cherished memories. LoveLoom offers a diverse selection of templates tailored to various occasions. Choose from a range of designs that reflect your unique style and the essence of your relationship. Make your story truly yours by adding your own pictures, messages, and details. Whether it's a romantic getaway, a heartfelt proposal, or a cherished memory, customize every aspect to reflect your love story. Once you've crafted your masterpiece, LoveLoom takes care of the rest. With just a few clicks, deploy your personalized webpage, ready to be shared with your loved ones. No technical expertise required. Enhance your digital tapestry with multimedia elements. Add your favorite song to set the mood, include videos, or incorporate other meaningful details to make your story come alive. Choose a Template: Browse through our collection of templates and select the one that best suits your occasion and style. Customize Your Story: Personalize your chosen template by adding your own photos, messages, and details. Make it uniquely yours. Add Multimedia Elements: Enhance your story with multimedia elements such as music, videos, or any other details you want to include. Deploy Your Webpage: With just a few simple steps, deploy your customized webpage and share it with your loved ones. Spread the joy of your special moments effortlessly. Ready to transform your love story into a digital masterpiece? Visit LoveLoom and start creating today! Have questions or need assistance? Feel free to reach out to our support team at support@loveloom.com. We're here to help you craft the perfect digital tapestry for your cherished moments. Follow us on Instagram and Facebook for inspiration and updates. Let LoveLoom weave the magic into your love story. Happy creating! 🎉 Page 2 task management platform designed to simplify the process of organizing, tracking, and prioritizing tasks. LoveLoom does not represent any organization — we are simply a small corner of the community, where we believe even the smallest acts of love can spread warmth. Read more from LoveLoom These past days, we have felt deep concern and sadness upon hearing about tensions between our neighboring countries, Thailand and Cambodia. We have no power to make decisions, nor a big voice to speak out — but from the bottom of our hearts, LoveLoom sincerely hopes that both nations will find peaceful paths, so their people may live in safety and harmony. Our heartfelt wishes: No more fear or the sound of weapons — only smiles and trust. Children going to school, and adults earning a peaceful living. Flags flying in the wind — not to divide, but to honor each nation with pride. LoveLoom sends a gentle yet sincere wish to the people of Thailand and Cambodia May peace stay — in your hearts and in your lives. Log in to securely store and manage your pages from anywhere. After receiving much feedback about page creation, LoveLoom has decided to integrate login to provide you with the best experience. No password needed, just one click. When you log in, you can: Store and sync across all devices. Protect your data, no worries about losing it. Experience upcoming personalization features. The login process is secured by Google. LoveLoom only uses your name, email, and avatar to identify your account. We commit to never sending promotional emails or accessing your other personal information. By logging in, you agree to LoveLoom Privacy Policy. LoveLoom is a web-based platform that allows anyone—regardless of technical skill—to effortlessly create, customize, and share mini websites or digital experiences designed for love, celebration, and joyful expression. Whether you're crafting a romantic message for your partner, a surprise birthday card for a friend, or a fun spin-the-wheel game to entertain your family, LoveLoom offers a simple and intuitive environment to build personalized web experiences. All of this happens in just a few clicks, no design or coding knowledge required. What Can You Do with LoveLoom? Create a digital love letter or confession page with photos, messages, and music. Send a heartfelt birthday greeting page that feels like a personal celebration. Design a spin wheel or lucky draw game for parties, classroom fun, or giveaways. Build an interactive page to celebrate friendship, holidays, or any special occasion. Share your creations instantly via a custom short URL. LoveLoom is fully browser-based, requires no download, and is optimized for mobile and desktop use. Why Do We Ask for Google Sign-In? Account Linking: We use your Google account's email to uniquely identify and manage your creations across devices. Seamless Login: Google OAuth ensures a smooth, secure sign-in process with minimal friction. Personalization: Your name and profile image help personalize your LoveLoom dashboard. Data Sync: If you created pages as a guest (by IP), they will be synced to your account once you sign in. We do not request access to your Google Drive, Gmail, or any private data beyond your basic profile. OAuth Scopes and Data Usage LoveLoom uses only the following OAuth scopes: openid: For authentication purposes. profile: To retrieve your display name and photo for personalizing your experience. email: To link your account to your creations. We are fully compliant with Google's API Services User Data Policy and handle all data responsibly. Our full Privacy Policy explains how your data is stored and used. About TsonIT & the Mission Behind LoveLoom LoveLoom was created by TsonIT—a passionate independent development person based in Vietnam. Our mission is to create fun, meaningful, and secure digital tools that bring joy and connection to people's lives. We built LoveLoom with the belief that everyone should be able to create personal web content without needing technical skills or money. That's why our service is completely free and ad-free. We value simplicity, privacy, and creative expression. The platform is non-commercial. We do not sell user data. Your experience on LoveLoom is yours alone. The tool is ideal for young couples, digital natives, teachers, event organizers, and anyone who wants to create something heartfelt on the internet. Start with LoveLoom Privacy Policy If you're a Google reviewer, we've also submitted a video demonstration and detailed instructions in our OAuth Verification request. Please refer to those documents to better understand the flow and user experience of LoveLoom. The system has pre-built some popular page types. You can preview and select a suitable page type to start creating your own content. Statistics are updated every 30 minutes.
