

[Click Here](#)

1 2 Click ≡ MENU. It's in the top-right corner of the page. A menu will appear. Advertisement 3 Click TRIAL & DOWNLOAD. You'll find this option near the bottom-right corner of the menu. Minecraft only works on Macbooks and PCs. 4 Click DOWNLOAD. This green button is on the right side of the page.[1] 5 Install Minecraft. Double-click the Minecraft setup file, then follow the on-screen instructions. 6 Open Minecraft. Its app icon resembles a block of dirt with grass on top of it. Once you open Minecraft, you'll be prompted to enter your Minecraft account information, after which point you'll be able to play the demo for 100 minutes. If you don't have a Minecraft account, create one first. Advertisement 1 Make sure that you own a copy of Minecraft. If you already have a copy of classic Minecraft (purchased before October 19th, 2018), you can download the Bedrock Edition (formerly known as the "Windows 10" edition) of Minecraft for free.[2] If you own a copy of Minecraft on Mac, you can download the Bedrock Edition of Minecraft for free on a PC.[3] 2 3 Log into your Mojang account. Enter your Minecraft email address and password, then click Log in. This will log you into the Mojang account that you used to buy Minecraft. Make sure that you're using the account with which you bought your initial version of Minecraft. 4 Find the "Minecraft for Windows 10" section. This heading should be near the middle of the page. 5 Click Claim your free copy. You'll find this button to the right of the "Minecraft for Windows 10" heading. You should be redirected to the Microsoft Store. 6 Click Redeem. It's to the right of the Minecraft logo.[4] You may first be prompted to log into your Microsoft account. If so, enter your email address and password before continuing. 7 Wait for Minecraft to download. Once Minecraft's Bedrock Edition finishes downloading, you should be able to find it in the Start menu. Advertisement 1 Make sure that you own a copy of Minecraft. If you already have a copy of classic Minecraft on your Xbox One, you can download the Bedrock Edition of Minecraft for free. 2 Select the Store tab. Scroll right to the Store tab at the top of the screen, then press A on your controller. 3 Select Search and press A. It's in the middle of the Store screen. 4 Type in minecraft. Use the on-screen keyboard to do so. 5 Press ≡. It's below and to the right of the "Guide" button on your Xbox One controller. This will search for the Minecraft game. You can no longer purchase the Xbox One edition of Minecraft from the Store. 6 Select Minecraft and press A. It should be one of the top results in the Store. Doing so will open the Minecraft page. 7 Select Get and press A. This button is to the right of the Minecraft image. 8 Wait for Minecraft to finish installing. Once it does, you'll be able to find it in the My games and apps menu.[5] Advertisement Add New Question Question How would I get a virus? If you download it from somewhere other than the official Minecraft website, then the Minecraft that you downloaded may contain malware. This is why it's recommended to download software from secure websites. Question Can I get Minecraft Pocket Edition for the Kindle Fire? Yes, you should be able to download it from your application store. Question Does the demo of Minecraft allow multiplayer? No. In order to play multiplayer, you must purchase Minecraft on whatever device you choose.
