The trip is intended to familiarize them with the earthly realities of their chosen field à the software industry à€" but each of the students involved has a different motivation, not acadÀµmica to go: a personal demÀnio to be exorcised, a family trauma to be escaped, a romance they hope will draw when they are on the road. Poster of Aanandam Produced by actor-director-singer Vineeth Sreenivasan and directed by newcomer Ganesh Raj. Aanandam À€ an old arrival story set in an engineering college. At the heart of the game are seven friends: Varun, Akshay, Kuppi, Gautham, Diya, Darshana and Devika. Gautham (Roshan Mathew) is © the lead singer of a rock group and much sought after by other female students. He though has eyes only for his lady devika love (Annu Antony). Akshay (Thomas Mathew) has been totally esmlida since day 1 of college by feisty, chirpy Diya (Siddhi Mahajankatti). Varun (Arun Kurian) is © an obsessively hardworking type. Darshana (Anarkali Marikar) is © an artist who barely speaks a word. And the Kuppi (Vishak Nair) is © an easy, sociable and popular type. It is not to say that the life of each of the protagonists of © a if not drastically altered by its The best thing you can say about Aanandam is that it is harmless, harmless and fun. Most, it is not particularly original, and if we think well, each character is a bit a cliché of this breed. Some of the conversations in English are also tense and effort too much to be fixed. But what works in favor of the film is its simplicity, its sense of humor (strictly restricted to the passages in Malayalam) and his boy-girl equations that challenge the norm in Mollywood. In an Industry that routinely romanticizes and normalizes persecution, stupidity and immaturity as the unique paths to the novel in a society secreted by the GÀ © nero, it is refreshing to see the handwriting of AkshayÀ € S - A young man who is determined not to harass the class colleague that he likes, who understands his hesitation in entering a romantic relationship with him, and that he does not reject as provocative simply Because you are friendly but disinterested for anything to be in addition. Contrast this with two other Malayalam movies in movie theater at this time. In the Pulmurugan Mohanlal-Starrer, the bothering is casually as the way to the heart of a woman, and in the smallest Kavi Uddeshthichathu? Starr by Asif Ali, the leader of man's fury in relation to hero for having rejected exemplifies Mollywood's mother's mother's mother's response to a woman's not. Having said that, Ganesh Raj - who also wrote Aanandam - needs to solve what seems to be his confusion on this front, since his film presents a brief scene in which a young man admonishes a young woman because several His fellow men fell into their charms, as if it were somehow guilty for their vulnerability. What should she do, Kuppi? Be less vivacious? Draw a burqa about her affability? Still, the steps in front of the baby should be praised in a scenario that is so completely male chauvinist. In front of the butt, the Anend C filmmaker provides a number of lush images of Kerala, Karnataka and Goa GoaAdam. It is a pleasure to see the beautiful beauty of the world of Hampi getting so much screen space in a mainstream Indian film. However, the Chandran framework © embarrassed in the pictures of the dog © u Nightly at a party in Goa, in the climactic scene, which should have been a natural stunner, but © very vintage, dominated by CGI. The songs seem to be too much and too long. It doesn't help that they're established against the looks of trite stolen glances, energy dance © slow motion and conversations, all designed to transmit a bright young brewery that feels artificial after a point. The songs themselves are fine, although I do not understand why this number in the streets of Hampi © sung by a troupe played by actors who are clearly westerners, but sing in perfect Indian accents. The leads actors are all rec © Close. While some of them face limited writing, I think I would very much like to se e more films with arun Kurian and Roshan and Roshan, which appear instinctively fast before the cinema. Aadam didn't understand me in a lost mood, maybe because © an hello to a Malayalam film in which when a man loves a woman, he does not harass her (paraphrase the Percy train). In the general analysis, this is © a harmless movie that's mildly involving and mildly sweet. It has no power of permanence in Mindspace, but... © fair enough while it lasts.
