Rocklin family practice

Rocklin Family Practice And Sports Medicine is a Family Medicine Clinic located at 3104 Sunset Blvd, #2b, Rocklin, California. It provides primary healthcare services to patients of all ages through evaluation and treatment by general practitioners and family medicine doctors. The clinic's details include: - NPI Number: 1790798908 - Phone Number: 916-624-0300 - Fax Number: 916-624-0631 - Authorized Official Name: Roy Mc Harris - Primary Taxonomy: - Type: Allopathic & Osteopathic Physicians - Specialty: Family Medicine The clinic's scope of practice includes family medicine, with an additional focus on sports medicine. A sports medicine physician at Rocklin Family Practice And Sports Medicine is trained to provide continuous care in the field of sports medicine, emphasizing health and fitness promotion, injury prevention, and special knowledge areas such as exercise physiology, biomechanics, nutrition, psychology, physical rehabilitation, epidemiology, physical evaluation, and injuries treatment and prevention. Sports medicine physicians enhance health, fitness, and prevention of injury and illness. To practice effectively, they require knowledge and experience in wellness promotion and injury prevention. Essential areas of expertise include exercise physiology, biomechanics, nutrition, psychology, physical rehabilitation, epidemiology, and physical evaluation. A sports medicine physician needs special education to provide healthcare improvements for individuals. Dr. Ooi's credentials are impressive, holding certifications in Internal Medicine, Sports Medicine, Pediatrics, and medical acupuncture. Born in Houston, Texas, he earned high honors in Biology and Liberal Arts from the University of Texas at Austin before obtaining his medical degree from Baylor College of Medicine. He completed a four-year residency at Indiana University Medical Center and then specialized in Primary Care Sports Medicine at Riverside Methodist Hospital in Columbus, Ohio, also receiving advanced training in Medical Acupuncture from UCLA. Dr. Ooi serves as team physician for various schools and universities, providing non-operative orthopedic care and prides himself on offering effective therapeutic interventions short of surgery. He enjoys treating patients across all ages and activity levels, with hobbies including running, martial arts, and spending time with his family. He moved to the Bay Area where he practiced medicine before deciding to make a change and joined Dr. Harris in 2004. He is happy to be able to help others with his career. In his free time, his family keeps him busy with sports and other activities. Wendy Scurka is a nurse practitioner who received her education from the University of Phoenix. She can provide care to children and adults and focus on managing diseases and promoting health. She has worked in various settings such as hospitals and clinics before joining Rocklin Family Practice. As a nurse practitioner, she can diagnose problems, order treatments and prescribe medications. Her approach is focused on individualized care for her patients and their families. She emphasizes the importance of patient education and disease prevention. In her free time, Wendy enjoys spending time with her family and hobbies such as gardening and bicycling.
