2. Theo is typically timid in new situations.
3. Kristin is quite creative and crafty.
4. Sara sat in the center of the circle.
5. The feisty fox was a cunning character.
6. Josh was blinded by a blizzard of blue confetti.

Part 2 Directions: Follow the directions to write an alliterative sentence.

1. Use the /tr/ sound.

2. Use the /sh/ sound.

3. Use the /n/ sound. (Challenge: Try to use words that start with at least two different letters: N or KN)

4. Use the /k/ sound. (Challenge: Try to use words that start with at least two different letters: C, K, or CH.)

Name _____ Date _____

Making Alliteration Worksheets

Alliteration is a stylistic device in which a number of words, having the same consonant sound, occur close together in a series.
Ex. Peter picked a pack of pickled peppers.

Directions: Add an adjective and verb to each animal below to make an alliterative phrase.

- Example: A shark
swam about steadily shark
1. Alligator: _____
 2. Donkey: _____
 3. Lion: _____
 4. Bear: _____
 5. Cat: _____
 6. Mouse: _____

Who hasn't heard "Fair is foul, and foul is fair", the theme that echoes throughout Macbeth? Alliterations help make writing musical, rhetorical and disciplined. Epic poems have used wide-ranging alliterations and have rightfully inspired many a student to use these stylistic devices with beauty. In addition to their signature blend of vigor and vibrancy, our printable alliteration worksheets, ideal for grade 2 through grade 5 leave young learners instantly stocked with lots of alliterations both literary and otherwise. Our ELA worksheets have a golden feather added to it. Our free handouts are definitely worth a try! Alliterations | Animals There is a lot to admire about this cute animal-alliterations exercise. Enjoy the mirth, as children write an alliteration describing each animal. Animals are great alliteration material! Alliterations in a Poem | Ocean Breeze Nowhere are alliterations more impressive than in poems! Let the alliterative students in 4th grade and 5th grade now dig in this breezy poem to find and underline as many alliterations as are there. Alliteration Chart This alliteration chart is something to look out for, for not only does it beautifully and succinctly define an alliteration, but it also gives a few examples for beginners to know their alliterations better. Matching to Alliterate Alliterations can instantly raise the literary quotient of a sentence, in prose and poetry. In this exercise, children match words or groups of words to form appropriate alliterations. Alliterations | Cartoons Children are infatuated with Micky Mouse and Pink Panther. But how many of them know these are classic examples of alliterations? Here, children fill in the blanks to unravel alliterations in cartoons. Writing Alliterations for Pictures Here's writing alliterations at its most diverse! Encourage children to let their alliterative imagination run a riot, and write a short alliteration for each picture in this pdf worksheet. Alliterations | Word Box This printable exercise is going to be a fantastic upgrade to children's alliteration learning. They form or supplement alliterations by completing sentences with correct words from the box. Alliterations from Letters of the Alphabet Put the stellar students ahead of the game, by lending them every possible hand as they attempt doing this exercise. Here, they write an alliteration for each letter of the alphabet displayed on the page. Alliterative or Not? This exercise reveals alliterations' literary potential in a big way. What's in store for children here, is that they read each sentence and see if it contains an alliteration or not. Making Alliterations This alliteration PDF creates some fantastically memorable learning moments. Children pick a word from each wheel and write alliterative sentences and enhance their

alliteration in the process. Alliteration Poem | Christmas Tree 2nd grade and 3rd grade children get unconditional access to all the pleasure and party surrounding alliterations! Let them read this poem to find out and underline all the alliterations they come across. Completing Sentences for Alliterations Help children get ahead and excel in the alliteration process with this printable exercise. They fill in the blanks appropriately to create alliterations abuzz with zeal and zest. Copyrigt © 2021 K5 Learning You've taught your students the seven most common types of figurative language... now what? Next comes lots of practice!
